POPs Compliance Statement – GARO Group 2026

GARO is committed to environmental responsibility and regulatory compliance. This statement confirms that GARO monitors and addresses the requirements of **Regulation (EU) 2019/1021 on persistent organic pollutants (POPs)**.

GARO continuously monitors the substances listed under the POPs Regulation and works with suppliers to ensure that relevant restrictions and requirements are addressed for products placed on the EU market.

GARO reviews regulatory updates on an ongoing basis and takes appropriate action where changes may affect our products or supply chain.
